Application for the Jeppesen Pilots Scholarship for 2019 is open to trainee pilots who are Australian Citizens and who have completed their PPL (or equivalent ) and are currently continuing further training to advance their aviation career as a commercial pilot.

The selection criteria for the Jeppesen Scholarship include, but are not limited to, the following:

- Academic progress
- Course attendance
- Progress in and contribution to the work place
- Special awards or achievements
- The benefits offered by receiving scholarship assistance

All applications will be judged by a panel comprising senior members of the RAAA and Jeppesen Australia. The decision of the judges is final, and no correspondence will be entered into.

It is a condition of the Scholarship that the successful applicant provides a report to the RAAA at the completion of the Scholarship. This report is to include details of how the awarded funds were used in support of his/her education and training.

Applicants should complete the following Application Form, attaching extra pages if required.
