RAAA Welcomes New CASA Board Appointments

6 July 2020

“The RAAA welcomes the recent appointments of Ms Elizabeth Hallett and Ms Marilyn Andre the latest CASA board members. It signals that Deputy Prime Minister McCormack is very serious about having an informed and experienced team at the top of CASA and he is to be warmly congratulated”, said Mike Higgins, CEO of the RAAA.

“Ms Andre is an extremely experienced aviation industry leader and Ms Hallett brings much needed risk management and strategy development expertise.

“Their appointments can only benefit both CASA and the industry and we look forward to working with them in the future. These new appointments will bring an added capacity in terms of the strategic direction of the regulator which can only strengthen the entire aviation industry”, said Mr Higgins.

The Regional Aviation Association of Australia (RAAA) is a not-for-profit organisation formed in 1980 to protect, represent and promote the combined interests of its members and regional aviation throughout Australia. The RAAA is focused on representing aviation across Australia.
