3 - 4 September 2020

# About

## Representing Aviation Across Australia

The Regional Aviation Association of Australia (RAAA) is a not-for-profit organisation formed in 1980 as the Regional Airlines Association of Australia to protect, represent and promote the combined interests of its regional airline members and regional aviation throughout Australia.

The Association changed its name in July 2001 to the Regional Aviation Association of Australia. RAAA members operate in all States and Territories. Members now include airlines, airports, engineering and flight training companies, finance and insurance companies and government entities. Many of RAAA's members operate successful and growing businesses providing employment and economic sustainability within regional and remote areas of Australia.

The RAAA has approximately 100 members and directly employ over 10,000 people, many in regional areas. On an annual basis, the RAAA's AOC members jointly turnover more than \$1.5b, carry well in excess of 2 million passengers and move over 23 million kilograms of freight.

# Mildura

Set on the banks of the magnificent Murray River

For the foodies, there's world-class cuisine served with small town hospitality, there are local produce markets and award-winning wines. For people looking for the slow lane, we have luxury houseboats to drift away on, there are golf courses and kayaks and internationally recognised national parks to explore. Like things a little faster? Speedboats, jet-skis, wake-boarding, water skiing, motor-sports, we have it all. Explore the Mildura region from the air, from the water, from the red earth from which the region gets its name. We have great weather- think the Mediterranean- so any time of the year is the right time to come to this amazing part of the world.

Find a secluded spot beside the river, watch the sunset and then wait for the magical star show to begin. Get up the next morning and watch the sunrise Mallee style.

We have a thriving retail centre, with unique stores, cafes and restaurants, we have a stunning inland beach, complete with a Life Saving Club. We have a children's water-park in a stunning river setting and we are the gateway to the outback.

Base yourself in Mildura and explore Mungo, the Pink Lakes of the Murray Sunset National Park. Slow, fast, river, land. We have you covered.

**3 - 4 September 2020**

# Accommodation

## Mercure Hotel Mildura

Located in the heart of the CBD and within easy walking distance to many of Mildura's attractions including restaurants, shopping, entertainment venues and the Murray Riverfront.

# Willow & Ivie

Please join us at Willow and Ivie for the RAAA Roadshow

256 Irymple Avenue, Nichols Point

P: 0499 111 009

[www.willowandivie.com.au](http://www.willowandivie.com.au)

Willow & Ivie is a private, family owned venue elegantly situated in the Mallee's picturesque wine and citrus region, Nichols Point. Just a stone's throw away from the mighty Murray, Kings Billabong and Mildura CBD, Willow & Ivie can offer a first class experience from small intimate gatherings up to 300 guests.

Surrounded by vineyards and set amidst 6 acres of manicured gardens with an ornamental lake it instantly sets a sophisticated, exciting tone for memorable occasions. Our venues design features an abundance of natural light, high ceilings, polished concrete floors and is topped off with comfortable, contemporary furniture.

Our menus are carefully crafted by head Chef Matt Morris, with local produce being the key focus and inspiration behind his culinary excellence. Not only are dishes always freshly prepared and professionally presented, they are guaranteed to leave your taste buds dancing.

Our attention to detail, personalised service and delicious menus will ensure your next event is a successful and memorable experience.

# Join us for the evening on the *Mundoo*

The Paddle Vessel Mundoo was built in 1987 at Goolwa, South Australia, by Jock Veenstra and his family owned company. She was initially powered by an 1892 Garrett & Sons steam engine and boiler which had been restored to mint condition. This boiler was the original steam engine from the P.S. Pyap.

In 1999, Captain Alby Pointon and his wife Freda purchased the PV Mundoo from the Veenstra's at Goolwa, to add to their paddle boat business at Mildura.

On the 5th December 1999, the PV Mundoo departed from Goolwa and undertook the epic 888 kilometre cruise up the Murray River to Mildura, cruising at an average speed of 8km/h. The P.V. Mundoo arrived in Mildura on the 16th of December 1999.

Immediately on arrival at Mildura, the PV Mundoo was introduced to regular cruises, fulfilling the demand of charter groups, weddings and larger dining cruises.

The original boiler and engine combination installed in the large PV Mundoo was unable to provide the necessary power on a fast flowing river. The decision was then made to remove this plant and install a diesel engine and hydraulic motors to drive her. This has proven to be a huge success and allows the Mundoo to operate safely in all weather and River conditions.

The PV Mundoo is of steel hull construction, 34.9 metres long, with modern conveniences, kitchen and dining facilities to cater for up to 180 passengers, in one comfortable area featuring attractive quality timber ceilings and bar facilities.

Complimentary bus shuttle to  
Mildura Wharf  
Hugh King Drive, Mildura

AUSTRALIAN INTERNATIONAL AIRSHOW AND AEROSPACE & DEFENCE EXPOSITION

# AVALON 2021

23 - 28 NOVEMBER 2021 AVALON AIRPORT GEELONG AUSTRALIA

100 YEARS OF THE  
ROYAL AUSTRALIAN AIR FORCE  
1921 - 2021

[www.airshow.com.au](http://www.airshow.com.au)

**Experience the awesome power of military aviation...**

**The boom and zoom of vintage warbirds and the roar of attack  
helicopters...**

**100 years of the Royal Australian Air Force takes centre stage at  
AIRSHOW 2021.**

See the most potent assets in our air defence arsenal strut their awesome stuff at Australia's world famous aviation spectacular.

Marvel as jet fighters, strike bombers and heavy lift leviathans are joined by swarms of attack helicopters, from home and abroad, for a series of breathtaking routines and simulated combat manoeuvres.

The event will feature the best collection of aerobatic daredevils ever to be gathered together for an Australian air show.

Their high flying antics and precision manoeuvres promise to leave you spellbound.

There will also be historic aircraft from the classic years of aviation and the most impressive collection of World War II aircraft ever to soar skyward at Avalon.

The aerospace showcase will feature the technology of tomorrow with special insights into space exploration and man's foray into the final frontier.

Hundreds of the world's leading innovators will display their latest and most exciting aerospace, aviation and defence products and inventions.

**AIRSHOW 2021** will be the most dynamic pageant of its kind ever staged in Australia.

By any reckoning, this is going to be a very special day out... the ultimate family adventure.
