Dear Mr Campbell

Thank you for attending the Aviation Jobs and Skills Pre-Summit Roundtable on 23 August 2022 and for your contribution to the discussion on the day. I appreciated hearing directly from participants regarding the skills and workforce challenges in the Aviation sector and possible solutions ahead of the Jobs and Skills Summit (the Summit). Please find attached a summary of the key messages and solutions proposed at the roundtable.

The outcomes of the Summit will support the development of an Employment White Paper to shape the future of Australia's labour market. I hope that you and your organisation will continue to contribute to the process through submissions to the White Paper, which will open in late 2022. Further information can be found at [www.treasury.gov.au/employment-whitepaper/jobs-summit](http://www.treasury.gov.au/employment-whitepaper/jobs-summit).

As part of our commitment to address the issues facing the Aviation sector, the Government is working to deliver the Aviation White Paper, setting the scene for the next generation of growth and development. I look forward to your engagement as this work continues.

I found great value in meeting collectively with representatives from the Aviation sector regarding the issues affecting you, as well as opportunities where the Government and industry can work together to advance our shared interests. I intend to hold similar annual roundtable meetings with representatives from across the Aviation sector, with further details to be provided as my Department progresses this work.

I look forward to speaking with you again in the future.

Yours sincerely
